

MESSAGE FROM W.O.R.K. 11/20/09

**W.O.R.K.** stands for *Women Offering Resources and Knowledge*. This is a charitable organization with the objective of providing funding to support seminars sponsored through BPW clubs across Canada. These seminars must be specifically centred on helping women increase their knowledge in areas that will help them to become successful in business and politics and to provide information on issues specific to women.

For example, **W.O.R.K.** has recently provided funding for seminars offered by BPW Saskatchewan on “Social Entrepreneurship” and a seminar offered by BPW Montreal on “Mentoring the Next Generation”.

BPW members will receive a tax receipt when they make a contribution to W.O.R.K. This is a tax efficient way for members to support BPW through personal or “in memoriam” contributions as BPW Canada is not a registered charity and therefore cannot issue tax receipts for donations.

Please consider **W.O.R.K.** when recognizing club members, making annual donations or as a specific beneficiary of your personal estate.

Your contribution to Women’s WORK will allow the fund to grow and thus generate funding for BPW Clubs to apply through the BPW PD chair, for funds to assist in putting on seminars by their clubs for the benefit of the members and public.

These donations should be sent to
