

British Columbia AGM – May 2009

It was my great pleasure to attend the AGM in British Columbia this year. Unfortunately, it was held on the same weekend as Ontario's conference; however, it was a pleasure to meet the members in BC and enjoy the getting to know them.

The AGM was held at a golf club in Kamloops which was a perfect setting for the event. The weather was beautiful and the scenery was spectacular. The members in attendance were very enthusiastic and positive about the future of BPW in BC and they have prospects for forming new clubs in several areas. It is also encouraging that a couple of areas are working at reviving the club. At the meeting, they passed a resolution to put pressure on the BC government to continue the efforts to monitor the situation in the community of Bountiful. They are also watching the activities surrounding the Olympics in 2010 in an attempt to prevent or at least minimize human traffic during the event.

While in Vancouver, I also had the pleasure of attending the AGM for the Council of Women for the province. They are also monitoring the situation regarding Bountiful and human trafficking at the Olympics.

Since thanks to my gracious hosts in BC for making me feel so welcome. I enjoyed seeing the city and spending time with my special friends.
