Message from Honourable Rachel Notley Premier of Alberta

On behalf of the Government of Alberta, it is my pleasure to welcome you to The Centennial Gala — Celebrating 100 Years of Canadian Women's Right to Vote.

Canadian Federation of Business and Professional Women Calgary is an excellent example of Alberta's tradition of strong and determined women showing leadership in their community. We owe a debt of gratitude to your decades of contributions toward women's issues and for helping shape our province's business and professional community.

From Nellie McClung's participation in the formation of your group, to the activities of your members today, Business and Professional Women Calgary has been an important part of promoting and supporting women throughout Alberta's history.

"Women set the standards for the world, and it is for us, women in Canada, to set the standards high," Nellie McClung once said. Keep focused on what is right and what is good, and your example will be one others cannot help but follow.

Best wishes for many more successful years to come.
