

**Women's W.O.R.K.** (*Women Offering Resources and Knowledge*) is a charitable organization with the objective of providing funding to support seminars sponsored through BPW clubs across Canada. These seminars must be specifically centred on helping women increase their knowledge in areas that will help them to become successful in business and politics and to provide information on issues specific to women.

For example, **Women's W.O.R.K.** has provided funding for seminars offered by BPW Saskatchewan on "Social Entrepreneurship" and a "Bridges Out of Poverty" workshop offered by BPW London.

BPW members will receive a tax receipt when they make a contribution to Women's W.O.R.K. This is a tax efficient way for members to support BPW through personal or "in memoriam" contributions as BPW Canada is not a registered charity and therefore cannot issue tax receipts for donations.

Please consider **Women's W.O.R.K.** when recognizing club members, making annual donations or as a specific beneficiary of your personal estate.

Your contribution to Women's W.O.R.K will allow the fund to grow and thus generate funding for BPW Clubs to apply through the BPW Membership chair, for funds to assist in putting on seminars by their clubs for the benefit of the members and public.

These donations can be sent to address listed below or via [CanadaHelps website](#).
